Mokena VFW Plans Annual Poppy Sale

The appointment of Ed Ciepley as chairman of the VFW's annual Buddy Poppy sale was announced today by Commander James Lillie of Veterans of Foreign Wars Post No. 725. Announcement was also made of the appointment of Helen Karlson as Auxiliary chairman.

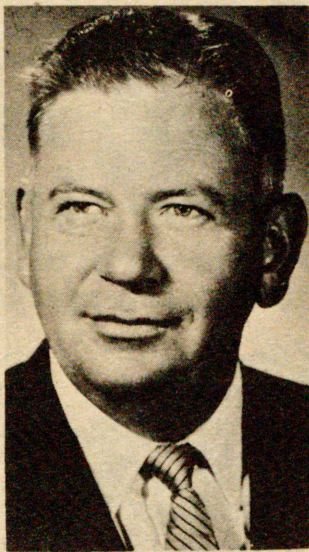

Buddy Poppies will be sold on the streets of Mokena in May, the date to be later announced.

Local VFW and Auxiliary officers expressed a desire to make the drive the largest in modern times. They point out that today, with boys fighting in Viet Nam, we are reminded of our ob-

ligation to help those who gave, and are today giving, so much on the battlefields.

They point out that the continued high cost of living is placing an increased burden on our disabled and needy veterans and on those who are attempting to serve them. Those who buy and wear Buddy Poppies will make a substantial contribution to this cause.

"It is hoped," said these VFW leaders, "that our citizens will contribute generously, and help us remember hundreds of orphans in our National Home at Eaton Rapids, Mich."

TOM OLSON, Lincoln-Way High School choral director, will be the featured speaker at the Lincoln-Way High School Parent-Teacher meeting on Wednesday, March 30 at 8:00 p.m. Mr. Olson's talk will be entitled "A Stutterer Speaks on Stuttering".

This will be the final meeting of the year and will include the installation of the new officers.

Park Fire Chief Arthur Granat estimated the damage to building and contents at \$10,000. No one was injured.

The Orland department received the call at 4:47 p.m. and on arrival at the scene radioed Tinley Park and Mokena for assistance. Both towns sent apparatus. The lightning hit the water and heating pipes at the southwest corner of the building and followed them around the structure.

Some of the insulation caught on fire and getting this out--literally--and clearing the building of smoke gave firemen a workout. The fire crept down between a couple of walls too, causing damage to adjoining bedrooms. Several openings had to be made in the roof to get the smoke out. The Virginian Motor Court is located on the southeast corner of the intersection and is owned and operated by Edward DeYoung.

While Orland Park had its apparatus at the fire Palos Park fire department had a crew and a rig to fill in at Orland. The fire departments of the area have a mutual assistance pact that works out very well.

Heavy rain and some hail fell in the area in the course of Monday's storm. There was a tornado alert Monday night and early Tuesday morning, following which the weather bureau maintained a tornado watch for several hours.

MAKING FINAL PLANS for the 13th annual Southwest Suburban Conference Music Festival to be held at Lincoln-Way are (l. to r.) Fred Richards, L-W band president; Robert Taylor, band director and festival chairman; June Swanberg, Chorus president; Tom Olson, choral director; and Randy Kummer, assistant in the L-W music department. The first note is to be sounded at 8 p.m. tomorrow (Friday) in the high school gymnasium. Admission will be \$1 for adults and 50 cents for students.

Only Two Districts To Have Election Contests

School elections in Lincoln-Way High school district 210 and the underlying grade school districts will be rather dull affairs this spring. The election date is April 9 and except for Mokena and Frankfort there will be no contests.

March 19 was the last date for filing nominating petitions in those districts where school officers were open on Saturday. Where offices were closed the filing deadline was last Friday afternoon, March 18.

Mokena Dist 159 has four candidates for the two three-year terms to be filled, William F. Mutsch, William (Bill) Cady, Fremont N. Warning, and James T. Fagan. Warning is the only incumbent in the race, Chester Ebert having decided not to run again.

Also running in Mokena Willard A. Barenz, who is unopposed for the unexpired term of Roy Toppen. Barenz was appointed several weeks ago to serve until the April election after Mr. Toppen resigned.

All the school elections in the area are held the second Saturday in April. This year the second Saturday is the day before Easter; it is also spring vacation. This all might result in that some persons would like to cast absentee ballots in Mokena. Supt. James Ennis tells how it should be done. Requests for absentee ballots may be made at Willowcrest School in person or by mail after Wednesday, March 30. The last day for applying for

ballots by mail is April 4; the last day to get absentee ballots in person is April 6.

The voter marks his ballot in the presence of someone authorized to administer oaths, but not so he can see how it is marked.

There is an affidavit on the envelope that must be filled in by the voter and after the envelope is sealed and endorsed by the notary it must be delivered to the school office at Willowcrest, in person or by mail. On election day the sealed ballot is delivered to the judges of election who proceed to tally it.

The procedure for marking absentee ballots is the same in any school district.

At New Lenox Ralph Staples, who was appointed to fill the unexpired term of Roy Fitzner, is running for a full three-year term, as is Mrs. Warren Stoneberger, 158 Wallace St., who is quite active in the Parent Teachers Organization. They are the only candidates so both will be elected.

The same is true in Arbury Hills, District 161. The two incumbents, John Hayden, 9436 Pine St., and Julius Sandy, 9307 are the only candidates.

Glenn Coburn and Charles Jones, whose terms expire on the Ann Rutledge board, are the only candidates in that district.

At Frankfort there are four candidates for three terms to be filled. Up until last Friday Melvin A. Eisenbrandt, who was filling out an unexpired term, was the

only candidate to file. Then on Friday three filed petitions, Glenn H. Nissen, Lewis Ebert and Bruce F. Wells. Nissen and Ebert are incumbents. Wells is a candidate for the first time.

The Lincoln-Way High school board election is also free of contests. All four candidates are incumbents. Elias Brown, Mokena; Wendell Morrison, Frankfort, and Earl Moss, New Lenox, are seeking full three-year terms. The other candidate is George Preston, New Lenox, who is running for the unexpired term (one year) of James Brooks, New Lenox.

DON'T LOOK NOW--If it is Interstate Highway 80 that you are looking for, unless you are a patient driver. This sign that would indicate I-80 is just down the road a piece waiting for travelers is in slight error. This particular sign stands on U. S. 30, just east of the intersection with U.S. 45 at Frankfort. Go west, it invites, if you are looking for I-80. Well, it's true. One will eventually come to I-80, but first there is a 12 mile stretch to Joliet, then another six miles west out of Joliet to I-55, where one jogs south about a mile and there is I-80. Maybe some day one will be able to get on I-80 a mile west of New Lenox, but that day does not appear to be in the immediate future. West of the intersection with U.S. 45 there is another sign standing alongside U.S. 30. It says I-80 is to the east--and that's a long drive too. It is nice to know, however, that I-80 is somewhere. Studies Needs Of Mokena School Dist.

The Lay Citizens Committee, making a study of Mokena schools, held two important sessions recently. The first featured a talk on Carpenter Street school and included a tour of this building conducted by Supt. James Ennis. The committee was shown the potential use and the problems of this structure and viewed first hand the repairs needed to keep it in shape.

Frankfort Car Owners Must Display Tags

Frankfort car owners are reminded by Village Clerk Walter Pfaff that the new village stickers are to be displayed on the lower right hand corner of the windshield by April 1.

So far out of the possible 600 motor vehicles in Frankfort 160 have purchased stickers. After May 1 the license fee will be doubled, it was pointed out.

Vehicle stickers may be purchased at the village hall. One may also purchase dog licenses there. Before getting a dog license, however, the owner must show a certificate that the animal has received anti-rabies shots. The license fee for a male dog or spayed female is \$2; for females, \$3.

L-W Bond Sale Is Scheduled For Tonight

When the Lincoln - Way High school board meets tonight at the school (March 24) it is scheduled to open bids on the \$485,000 building bond issue authorized last year by the voters of the district.

Whether the bonds will be sold at this time is another matter, according to a spokesman for the board. This is not the time to sell bonds at a favorable interest rate, it was said.

If that is the case as regards to the Lincoln - Way bonds the sale will be postponed until later, it was said. The district plans a shop and classroom addition.

Annual Talent Show Set For April 30

MRS. EDWARD HOVI
Telephone 479-5740

The annual talent show will be held at the school gym on Saturday, April 30. Included in the program are youngsters from the school district, both public school and parochial school.

There will be two shows presented that day. The first show will be held at 2 p.m. for the children of the area at a charge of 35 cents for grammar school children, and 50 cents for those of high school and older.

An evening performance will be held at 8 p.m. preceded by a buffet dinner at 6:30 p.m. at a charge of \$1.50 per person.

Start making your plans now for this annual community project of interest to your children and yourself alike. Much work is being put into the program, and be prepared to be surprised at the display of talent these youngsters can show.

The registration of boys interested in participating in the baseball program, for this summer, will take place at the school this Saturday, March 26, from 10:00 a.m. until 2:00 p.m.

In order to be eligible a boy must, 1. Reside within the school district, 2. Be between the ages of eight (by August 1) and sixteen (will not attain his seventeenth birthday by August 1), and 3. Pay a registration fee of \$3.50 per boy to cover insurance costs.

All boys must register at the school on the appointed day, and the registration fee may be paid either on registration day, or by the following Saturday, April 2 at the latest.

The Cub Scouts will hold their monthly Pack Meeting at the school tomorrow evening, Friday March 25, starting at 7:30 P.M.

The Arbury Hills Baby Sitters Cooperative will have their secretary's book change on April 1. At that time the book will be turned over to Mrs. Tom Tanis from Mrs. George Peterson who has acted as secretary for the month of March.

Any member who needs

a baby sitter after April 1, should contact Mrs. Tanis at least twenty-four hours in advance of the date needed.

Mrs. Peterson will continue taking care of the book until April 1, for any sitters needed for the remainder of March.

The Boy Scouts of Troop Number 10 will make their regular monthly newspaper pickup next Saturday morning, April 2. Please have your newspapers, and magazines ready at the garage door by 9:30 A.M. They should be bundled in some manner, either with rope or in bags to avoid littering the neighborhood with newspapers while they wait for the boys.

All the Girl Scout Troops in the Triken area participated in a Girl Scout Rally at the Frankfort School on Sunday, March 13. Each Troop participated in the program with a "do it yourself" entertainment schedule. They had a variety of skits, dances, games, and songs which all together made for an enjoyable afternoon.

Registration In April At Palos School

Palos Community Consolidated schools announce that registration for kindergarten and first grade for the 1966-67 school year and for summer kindergarten, June and July, 1966, will be held the week of April 18 in the Palos East School, 7700 West 127th St., from 9:30 a.m. until noon and from 1:00 p.m. to 2:30 p.m.

The airman, a 1964 graduate of Lincoln Way high school recently completed basic training at Lackland AFB, Tex.

Mail Out New Phone Books

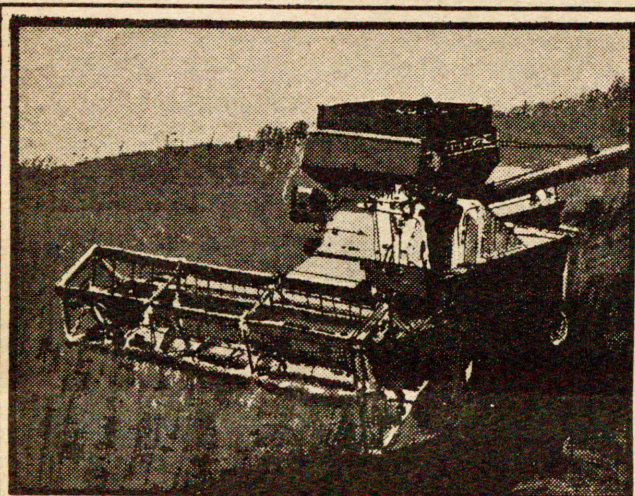

The new and thicker telephone books are out for Mokena, Frankfort, New Lenox and Manhattan.

They are sent thru the mail. If you haven't received your directory by March 28 call the business office of the phone company at Lockport, advises Miss Shirley Fisher, acting manager for this district.

The names in the new books are in larger type. Some 8,200 books are distributed in the four town area.

ROBERT S. LEWIS, Orland Park, has been named sales representative for the Metal Hydrides Division of Ventron Corp. Mr. Lewis will service accounts in the pharmaceutical, pulp and paper, textile and petrochemical industries.

Pharmacists In Poison Prevention Activities

Pharmacists across the nation are giving their support and special knowledge to a program to educate the American people about the dangers of accidental poisoning in the home. Every year, more than a half-million children are poisoned by accidentally ingesting medicines, cleaning agents, waxes and polishes, insecticides and other common household articles. Some 500 of these children die!

In an effort to focus public attention on the problem President Johnson pro-

claimed March 20 - 26, 1966 as National Poison Prevention Week. Community pharmacists participate in the observance with special displays on poisoning, by distributing information and by delivering addresses to civic groups and parents.

The problem of accidental poisoning of children in the home is a growing one. As new products and medications are introduced, the incidence of poisonings increase. Young children are inquisitive. What they see, they take in their hands and

College Tests For Draft Registrants To Be Held In May

The Selective Service college qualification test will be given at 46 institutions in Illinois on May 14, May 21 and June 3d, it was announced by John H. Hammack, state director of Selective Service. All the Junior colleges in the area as well as

what they have in their hands goes into their mouths. If the substances are harmful, the results can be deadly.

most of the four year schools will be used as testing sites.

Application cards for the test and information bulletins will be available at any Selective Service local board in Illinois on or about April 1. Applications must be postmarked not later than Saturday, April 23.

To be eligible to take the test an applicant must be a Selective Service registrant

who intends to request deferment as a college student. The test score itself will not determine eligibility for deferment but will provide the local boards with evidence of a student's aptitude for continued college work. The test will be given on the same dates at examina-

tion centers thruout the United States and applications will be available at any local board. Complete instructions are contained in the bulletin of information.

Feed Grain Sign-Up Time Is Here Again

ASCS office manager, William Z. Polley, reminds Will County producers that all "signing" for participation in the 1966 Feed Grain program will be carried out at the county ASCS Office, 1256 West Jefferson St., Joliet. In past years county office personnel visited various communities for the purpose of conducting the sign-up. This year, because measurement service is being offered and highly recom-

mended, the need arises to have available all records and photographs. Eligible producers who wish to sign for program participation may do so any week day between 8 a.m. and 4:45 p.m., between now and April 1. Polley stated that interested producers are urged to get into the county office as soon as possible in order that a last minute rush resulting in poor and inefficient service might be avoided.

It's Here Again — The Tornado Season

From March to September is tornado season in the mid-west. Will County Region of Mid - America Red Cross Chapter lists safety measures designed to save lives and minimize destruction when tornadoes strike.

In open country - move at right angles to the tornado's path, usually from the southwest, or lie flat in the nearest ditch or ravine or other depression.

In town - go indoors, preferable in a strongly reinforced building, and stay away from windows.

At home - go to the southwest corner of the basement, shutting off electricity and fuel lines if there is time and opening doors and windows on the north and east sides to equalize pressure. If there is no basement, lie down outdoors in a ditch or other depression.

In school - stay inside, away from windows, if the building is strongly reinforced and avoid auditoriums or gymnasiums with large poorly-supported roofs.

In small school buildings - go out of the building and lie in a ditch or ravine if no storm shelter is available.

In factories or industrial plants - post a lookout to report on approach of tornado when warning is received.

Postal Rates Are Going Up In Some Lines

Increases in money orders, insurance, registry, certified mail and COD rates

will become effective Saturday March 26, area postmasters announce.

They are the first fee increases since 1961.

Increases include: Money orders up 5 per cent; insurance, minimum on a new \$10-15 bracket, from 10 to 20 cents, most other insurance fees up 10 cents; registry fees on all values up to \$100 will be 75 cents, other registry fees unchanged; COD charges will be raised to 50 cents for amounts up to \$10 but no other changes; for certified mail, the fee will be raised by 10 cents to 30 cents per item.

25 Win Firsts In Dist. 118 Science Fair

Palos School District 118 held its Annual Science Fair on Saturday, March 12, in the gymnasium of Palos West School with exhibits on display to the public from 1:00 to 5:00 P.M. The displays were completed entirely on the students' own time and ranged into many areas of science. An innovation in this year's fair were displays in the area of mathematics.

A total of 48 exhibits were

entered by sixth, seventh and eighth grade students; 25 won first place awards; 18 second place and five were third place winners.

All first place winners will be entered in the district exhibition April 16 at the Illinois Institute of Technology, Chicago. Winners from this exhibition will compete in the state competition to be held at the University of Illinois (Urbana) in May.

NOW NEW PROOF FORDS ARE BUILT TO LAST!

You can now buy a '63, '64 or '65 used Ford with a
new 24/50 Warranty from Ford Motor Company
—24 months or 50,000 miles!

Here's proof Ford has changed! If you're in the market for a used car, read our warranty. It tells you how well Fords are built. More important, it protects your investment in one of our selected late-model used Fords—a '63, '64 or '65—for TWENTY-FOUR MONTHS or 50,000 MILES or UP TO 5 YEARS from the date the car was built.

Ford Motor Company Used Ford Car Power Train Warranty

The power train components of 1963 through 1965 Ford, Mustang, Fairlane, Falcon and Thunderbird cars are warranted by Ford Motor Company against defects in workmanship or material for 5 years from the date of production OR 24 months from the date of sale as a used car OR 50,000 miles, whichever comes first. This warranty becomes effective upon registration of the used vehicle by a participating Ford Dealer with Ford Motor Company. During the

time limits of the warranty, the participating Dealer will, at his regular place of business, replace or repair at a charge to the customer of only the first \$25.00, any of the following power train components that are defective: engine block, head, and all internal engine parts, water pump, intake manifold, transmission case and all internal transmission parts, torque converter (if so equipped), driveshaft, universal joints, rear axle and differential, and rear wheel bearings.

DISCOVER THE NEW 1966 ELECTRIC RANGES

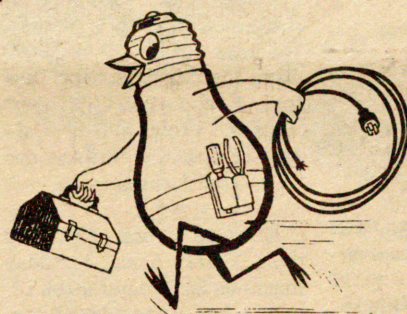

-the modern way to a cleaner kitchen

**SPECIAL BONUS
FREE WIRING**
IF YOU BUY AN ELECTRIC RANGE NOW

SATISFACTION GUARANTEED

If within 60 days you are not entirely satisfied with your new electric range, Commonwealth Edison guarantees that your entire purchase price will be fully refunded.

Only Electric Ranges Offer these Exclusive Features—

★ Self-Cleaning surface units. No more scrubbing or scouring. ★ Cooler. Kitchens stay about 10 degrees cooler. ★ Self-Cleaning Ovens. No more messy cleaners. No stooping or bending. ★ Instant Radiant Heat Broilers. For quicker, juicier steaks. ★ Flameless. Kitchens stay cleaner longer. ★ Pinpoint Temperature Control. For precise cooking temperature every time. ★ Economical. Costs only a few pennies a day.

ELECTRIC KITCHENS ARE CLEANER

Kitchens with modern electric ranges stay cleaner longer, because electric ranges are flameless. Since there is no flame, it is impossible to create the soot that soils kitchen curtains and walls. Kitchens need washing only half as often. And new electric ranges practically clean themselves. Those with self-cleaning ovens remove every trace of grease and grime, automatically.

FREE INSTALLATION OFFER

Now, for a limited time, you can install a new electric range and get the wiring free. You'll save money on the installation and be ready for an air conditioner, clothes-dryer, or any other heavy-duty electrical appliance you want to install later on.

The free offer applies to a standard wiring installation for a new electric range in any single-family dwelling served by Commonwealth Edison Company. This limited time offer also applies to the installation of electric ranges in 2- and 3-apartment buildings.

The Ann Rutledge PTA meeting was held Monday March 14, and presided over by the president, Mrs. Robert Wheeler. On display were the two microscopes which the PTA presented to the school. It was also decided to purchase a library table, record player and new music books for the school.

Ways and means chairman, Mrs. Robert Seamon, showed samples of T-shirts and sweat shirts which will be on sale for the pupils during the next month. Plans were formulated for a memorial fund to be established in memory of the late Mrs. Wm. Davidson who was a teacher for many years at Ann Rutledge and for many years after her retirement she remained a tireless worker for the good of the school.

The room count was won by Mrs. Frances Feeleys first grade room. A very informative safety program was presented by Dr. Otto Navoto of the Hedges Clinic in Frankfort. Mr. Lee Gericke a member of the Park Forest police force and Mr. Edward Zitter made up the panel and answered questions on the medical, police and insurance aspects of accidents.

A social hour followed with refreshments attractively decorated in keeping with St. Patrick's day. Hostesses were the Mrs. Ernest Taylor, Lee Gericke, Robert Hauser, Viola Smith, Calmer Oas, Erdic Dickens and Mrs. Tom Kruse.

Brownie troop 376 held their Girl scout birthday luncheon Saturday March 12, in the home of their leader, Mrs. Lee Gericke. Homemade flowers were presented to the mothers upon their arrival. The Brownies serv-

ed the luncheon which was made by them and helped the mothers play the flower game which was won by Mrs. Richard Smith.

Mrs. William Lovelock was introduced as new committee mother and Mrs. Richard Smith is taking over as temporary co-leader for Mrs. Don Schofield who is leaving.

The program entitled "A Musical Bouquet" in which all the Brownies took part dressed as flowers was presented. A baby gift was presented to Mrs. Schofield from the Brownies and their mothers. Door prizes were won by Mrs. Ernest Taylor and Julie Smith. Those present were Mrs. Lee Gericke and Maryanne, Mrs. Dale Schofield and Becky, Mrs. Charles Scheeler and Candy, Mrs. Ernest Taylor and Bonnie, Mrs. Richard Smith and Julie, Mrs. Wm. Lovelock and Debbie, Mrs. Roger Kind and Lavina and Mrs. James Bryant and Tammy.

Guests were Mrs. Eddie Fields, leader and Mrs. Lester Albrecht, co-leader of Junior Girl Scout Troop 378 and Mrs. Marianne Moore of Chicago.

On Sunday, March 13, the Brownie troop took part in the friendship rally which was held in the Frankfort school. Candy Scheeler has been book keeper for the month of February and March. Becky Schofield is in charge of collecting money in the troop for the Juliette Lowe World friendship fund to be turned in by April 6.

Kindergarten Not An Issue In Referendum Considered In Dist. 161

(Editor's Note: The following article was prepared by the Board of Education of District 161 which operates Arbury Hills school, as an open letter to the voters of such district.)

"Readers were led to believe that the voters would decide, by means of an educational fund tax referendum, whether or not a kindergarten would be established as part of our school system. This is not correct. The adoption of a kindergarten is legally decided by vote of the School Board members and cannot be decided by public referendum. By electing school board members of their choice, the voters of the district determine the type and extent of education that will be offered in their school.

"An educational tax referendum has not yet been announced by the school board. It is true, that with no industry and very little commerce in the area, it has been exceedingly more difficult to educate the children when the enrollment increases by one classroom each year, but the amount of tax money available has remained constant. By issuing "anticipation warrants" for the last several years, the school district has been able to meet these additional demands by borrowing money against future taxes. Because the district is rapidly approaching the legal limit on the amount that can be borrowed in this manner, the board for some time has been contemplating the announcement of an educational tax rate referen-

dum so that the voters of the district can authorize a tax increase that will enable the district to comply with the increased educational demands.

"At the present time, the board is making preparations for the announcement of a referendum. The voters of the district should weigh the merits of any referendum only on the basis of the quality level of education desired in the entire school system, of which the kindergarten would be only a very small part.

"With the constantly increasing school enrollment, the board in past years was reluctant to adopt a kindergarten program that could only be temporary because of space limitations. After the Kindergarten Association presented the School Board with a petition signed by a very large number of voters in the district, the board decided to review the possibilities of adopting a kindergarten to comply with the wishes of the voters. With the passage of the recent bond issue, space appears to be available for the next few years. Because kindergarten does not require the sophisticated

educational materials required in other grades, the cost of a kindergarten is not as high as a class in grades one thru eight.

"It was determined that the kindergarten would have little effect on the financial burden of the district and when a referendum would be announced, the kindergarten would not or should not be a significant factor to be considered by the voters. After reviewing all of the factors, the board elected to adopt a kindergarten as part of their school system in

the fall of 1966, on the basis that the benefits to the children more than offset the additional cost of the kindergarten. However, the board realizes its obligation to the district, and if space for the kindergarten becomes unavailable, or if its expense significantly detracts from the quality of education in grades one thru eight, then the kindergarten will be discontinued.

"When a referendum is announced in the future, voters should understand that they are not voting for or against a kindergarten, but they are voting for the quality of education offered in the school system."

Add Day To Easter Holiday In L-W

The Lincoln-Way area public schools have lengthened their spring vacation by one day, Monday, April 11. This will enable teachers and parents that plan to travel during the Easter vacation to have a day of traveling time after Easter Sunday.

The day will not be made up for a recent change in

state law requires that five extra days be placed in the school calendar each year for the closing of school due to weather conditions or special occasions.

Spring vacation will begin at 3:30 p.m. on Friday, April 1, and all Lincoln-Way Area public schools will be closed until the morning of Tuesday, April 12.

Five guests were in attendance at the March "guest night" meeting of the Mokena Woman's Club held recently in the new Immanuel Lutheran church on LaPorte road.

During the meeting announcements were made by the president, Mrs. Louis Richards, pertaining to an invitation received by the club to attend a meeting of the Crete Woman's Club on March 17. Also the monthly visit to the Tinley Park State hospital will be held March 22.

Mrs. George Sangmeister, conservation chairman, gave a report on the air pollution problems in the surrounding areas and what steps are being taken to alleviate the situation.

Following much discussion for a ways and means project, Mrs. Berle Needham, chairman, was given authority by the group to engage the Palos Park Village Players to provide a drama program. More details will be given at a later date.

Mrs. John Weber and Mrs. William Sluis showed colored slides "Fiber to Fabrics" provided through the courtesy of the Pittsburgh Plate Glass company showing the various steps in manufacturing fiber glass draperies and its many uses.

Following dessert coffee served by hostesses Mrs. Sluis, Mrs. Charles Craig-mile and Mrs. Laslo

Hunyady, the group enjoyed a conducted tour their the new church by pastor Rev. August Bueltmann and his wife. Formal dedication of the church in the form of an open house will be held during the month of May.

When members of the Frankfort-Mokena Home-makers Extension unit met in the home of Mrs. Franklin Weber, an interesting lesson on "furniture and arrangements" was given by Mrs. August Bueltmann and Mrs. Robert Nixon with participation from the members.

The minor lesson on "vacation spots" was presented by Mrs. Bueltmann who showed pamphlets from various state parks in Illinois.

At this meeting, Mrs. Robert Schultz, joined as a new member.

Mrs. Arthur Buske, president, gave the following announcements; on Wednesday, April 20 the group will attend a luncheon and fashion show at Marshall Field store in Park Forest and will also attend a fashion show at Sears Roebuck and company in the shopping center. The following day Thursday, April 21, the annual Membership Tea for all units in the county will be held at 7:30 p.m. at Grace Methodist Church, Joliet.

Mrs. Frank Kovar, 4-H chairman, announced the Lincoln Lassies 4-H club,

will participate in the county 4-H Art Show to be staged Saturday, April 2 at the Fred Francis 4-H field and will also be featured in the Share-the-Fun Show to be held later in the month.

Dessert-coffee preceding the meeting was served by Mrs. Weber and Mrs. Kovar.

Miss Carol Chisholm, 187th. Street, daughter of Mr. and Mrs. John Chisholm was recently elected Rituals chairman for Delta Gamma sorority, University of Iowa, Iowa City.

Miss Georgean Janner, daughter of Mr. and Mrs. H. W. Janner, 11011 Hiawatha, was among 33 girls recently initiated into Alpha Lambda Delta national scholastic honorary fraternity for freshmen women at Wesleyan university.

A kidnap breakfast was held by the firemans auxiliary on Monday morning at the home of Carole Craig-mile. Sixteen women were present and enjoyed coffee and rolls served by Carole Craigmile, Harriett Newton and Judy Niemann.

Edward Schmidt of Mokena underwent surgery at Silver Cross hospital March 12.

Arian Yunker, son of Mr. and Mrs. Fred Yunker of Orland Park, underwent surgery at Silver Cross hospital last week.

The Wm. Martin Auxiliary 725 will sponsor a card party at the VFW hall on Wolf road on Saturday, March 26. Chairman for the affair will be Mrs. Nick Grybash and hostesses are Mrs. W. Larson and Mrs. V. Kohl. The public is cordially invited to attend.

State Doesn't Need New Taxes

The State of Illinois is in sound financial condition, and there is no need at this time for a special session of the Illinois General Assembly at which new forms of taxation would be considered, the board of directors of the Illinois Manufacturers' Association said today (Monday, March 14).

In a statement to the Association's more than 5,000 member firms, the IMA board forecasts that the State should reach the end of the current biennium with an unappropriated surplus of over \$100 million.

IMA's statement says: "We have analyzed the current financial situation in Illinois because we have been very much concerned about forecasts by the State Administration that Illinois was heading for a deficit of up to some \$60 million in the current biennium, covering the 24-months period beginning July 1, 1965, and ending June 30, 1967.

"Our analysis of the situation just completed indicates that the State is in sound financial condition, and the Association has ample evidence to justify the forecast that the state will wind up the biennium with a comfortable surplus in the General Revenue Fund.

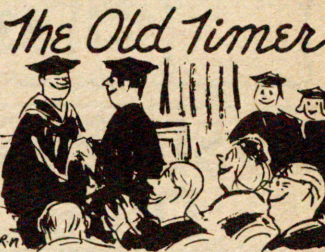

"We apprise the members of the Association of

this situation since consideration is now being given to the possibility of a special session of the General Assembly to consider additional forms of taxation which, in the analysis of the Association, are totally unnecessary.

"In fact, the Association forecasts that the state should reach the end of the current biennium with an unappropriated surplus of over \$100 million. A seasonally adjusted projection of state tax collections during the first eight months of the current biennium points to available resources of over \$2.2 billion for the General Revenue Fund for the complete two - year period. Against this, the state budget calls for general revenue expenditures of around \$2.1 billion, including adequate transfers of

cash from the General Revenue Fund to the Common School Fund, and to the two Building Bond Retirement Funds.

"Inflationary factors causing price increases on property subject to Retailers' Occupation Tax liability, plus population gains and new family formations should result in monthly cash balances of over \$100 million in the General Revenue Fund for the remainder of the biennium."

hints for homeowners

Floriculture

Gardeners from throughout the midwest and from as far away as Kansas City, Mo. and Bay City, Mich. have been arriving by special buses and trains at the Chicago annual Flower Show. Local flower and landscaping enthusiasts have also participated in the festive event by attending in groups.

Those who prefer a less hurried time to view the show have learned to be on hand when the show opens. Although the official opening hour is 11 o'clock the press of the crowd usually encourages officials to open a half hour earlier. In addition to the crowd-free period at starting time another slack period occurs during the supper hour. From 4:30 to 6:30 is the time when the afternoon visitors have left but before the evening visitors have arrived.

The most spectacular displays this year will be of azaleas and rhododendrons. Many of the formal gardens will feature them. Each year visitors ask us at the University of Illinois exhibit about their culture.

Specimens that were forced for the show were shipped in from California or the South. However, if certain conditions are met azaleas and rhododendrons can be grown in this area.

First of all hardy varieties must be used. As a general guide you will find that non-evergreen azaleas are the most hardy. Usually they come in orange or yellow with an occasional pink. Evergreen rhododendrons can also be used if the right varieties are selected. Among the hardy types are the many varieties of the Catawba rhododendrons. Their blooming time is mid to late May.

The best way to obtain a plant hardy in this area is to visit a local nurseryman and examine his stock. This may be done in May or anytime that they are in bloom. This gives you an opportunity to accurately decide the color and type of flower that will go well in your landscape design. For example a clear yellow or white flower may look well against a red brick house. However, if the yellow has

means protection from winter winds and sun. Place your rhododendrons on the shady north sides of buildings. Near by evergreens will serve as windbreaks and additional shade. During summer, shade provided for at least half the day.

Soil should be acid, high in humus, and well drained. Acidity is provided when planting by adding one fourth pound of powdered sulphur

per 25 square feet. Although aluminum sulphate was once advised for acid loving plants this is no longer so. Aluminum from aluminum sulfate can build up in soil to the point of being poisonous to plants.

Humus can be provided by the addition of old leaves or peat moss. If sawdust or woodchips are used an initial addition of a high nitrogen fertilizer is needed.

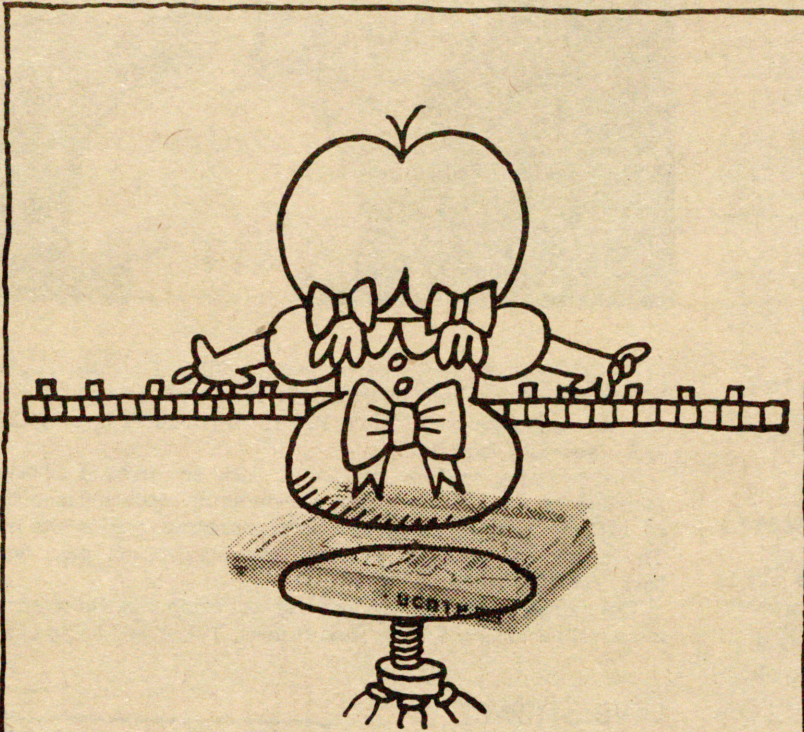

For each 100 lbs. of these raw materials add one pound of 10-6-4 or similar grade fertilizer. For best results this initial soil preparation should extend a foot to a foot and a half deep.

If in doubt about drainage grow your azaleas and rhododendrons in raised beds. They can be built by using logs, old railroad ties, concrete blocks or rockwalls. Rhododendrons and az-

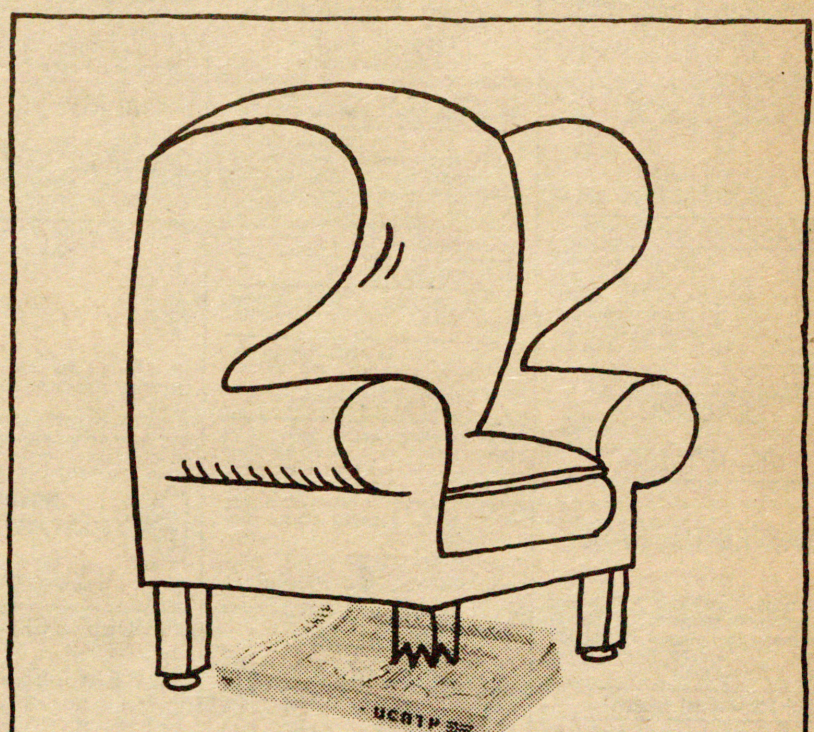

aleas displayed at the flower show can be grown in the area if the proper conditions are provided.

Visitors should also see the University of Illinois exhibit which will feature annual flowers and bedding plants. University horticulturists will be on hand at all times to discuss special questions. New University gardening publications will also be available.

NI And Peoples Gas Companies Plan Studies

Spokesmen for Northern Illinois Gas Company and The Peoples Gas Light and Coke Company said today that their companies had decided to undertake studies to determine if there might be mutual advantages in some form of consolidation of the two companies. It was emphasized that no commitment other than to engage in such studies, which can be terminated by either at any time, has been made.

The spokesmen stated that, despite the extremely tentative nature of this exploratory step, they believed public disclosure would be in the best interests of investors and the general public in order to avoid rumor or exaggeration.

We've remodelled the interior of the book extensively. You're listed twice in larger type. We've also redesigned the front pages of the book to make them easier to use.

There's a detachable card in the book, too—a personal directory for you. List the numbers you call frequently, and keep the card handy for convenient reference.

If you haven't received your all-new phone book, please call us at the business office. We'll arrange for immediate delivery.

A brand new local section in front. You're listed here with just your neighbors. It's easier for you to find numbers for nearby calls.

Local "Yellow Pages" are in the center. Where to find products and services near you. Serves the same area as your new local listings.

Regional over-all listing in the back. You're listed again, along with everyone else living in the larger area around you.
